

A Singular Beauty by Lorena Nogal

As part of “CaDance,” the annual contemporary dance festival in The Hague, the program “Spiel” will showcase works by Lea Ved, Karolin Stächele, and Lorena Nogal, the winner of Spain’s 2024 National Dance Prize.

The project hosts [Spiel](#), a scenic proposal composed of three choreographic works developed by international creators under the ChoreoLab International platform. The program includes *Flare like the doves* by Lea Ved (USA), *RE:JOY* by Karolin Stächele (Germany) and *Una Belleza Singular* by Lorena Nogal (Spain).

A SINGULAR BEAUTY

Nogal’s work examines the everyday acts of dressing and undressing as a foundation for reflecting on identity, transformation, and the tensions between choice and imposition.
